Two Adult Sessions: 9 a.m. & 7 p.m.

High School Teen Session: 7 p.m. only

**St. Peter Church
1891 Kaneville Road
Geneva, Illinois**

Whether or not Planned Parenthood is successful in opening their new facility in Aurora, its influence can be observed in churches, schools, community organizations and throughout the entertainment and news media. Do you *really* know what Planned Parenthood and its followers believe? Are you aware of what is taught in their educational programs? Do you know what they want children to know? This presentation will focus on answering those questions and more by using Planned Parenthood's own statements and materials. It is not about opinions or politics, it is about the truth.
